## Via Walker Consulting is a Accounting and management consulting practice

We provides professional services to clients to help them meet their employees and business requirements.

We offer a wide range of Accounting services and management consulting services, including policy development, job description, recruitment, performance management and organizational development.

Whether as a complement to an existing team, as a virtual Accounting and HR department for small business, or on a project basis, we pride ourselves on our ability to partner with our clients, to understand their unique situation, and to provide custom tailored solutions designed to meet each client's specific needs

## Via Walker

We are a company that provides professional Accounting and HR consulting and services to organisations of all sizes. We provide services, resources, and expertise in support of your Company's unique Accounting and HR needs.

Via Walker Consulting act's on your behalf as the company's Financial control/compliance and management system, we also provide support and expertise to complement existing Management system. We take the time to develop a strong working relationship with you by understanding your needs, your business and your corporate culture. With that understanding, we recommend solutions in line with your business needs and then work with you to implement them.

Our research effectiveness, innovation, flexibility and professionalism making us a powerful and effective resource for your organisation.

Our experience spans many subjects' areas and many industries and we have established strategic alliances with an active network of consultants who share the same values and beliefs in support of client's needs. This network of professionals provides all the competence of a large organisation while remaining responsive by size.

## Why Via Walker Consulting?

*We care. We take our client's concerns to heart and make them our own.*

*We have established strategic alliances with an active network of consultants who share the same values and beliefs in supporting of client needs. This network of professionals provides all the competence of a large organisation while remaining responsive by size.*

## ABOUT US

Our firm is located in Free State, Bloemfontein. We provide services, expertise and resources to private sector organisations that have business in South Africa.

We are committed to meeting the needs of our clients in a timely and cost-effective manner. Our goal is to offer our clients the options that best suit their needs, be it a short or long-term assignment, on a project or ad hoc basis and our research effectiveness, innovation, flexibility and professionalism make us a powerful and effective resource for your organisation.

We take the time to develop strong working relationships with our clients by understanding their business, their needs, and the company culture. With that understanding and with the knowledge and expertise in human resources and business, we recommend solutions that align with business priorities and then support clients in implementation.

We have established strategic alliances with an active network of consultants who share the same values and beliefs in support of client's needs. This network of professionals provides all the competence of a large organisation while remaining responsive by size.

# VALUES

## Professionalism and Integrity...

We value our relationships with our clients, associates and the professional community. We conduct ourselves professionally and with the highest degree of integrity on every assignment, and we expect the same high standard from those we associate with.

- PARTNERSHIP

One size definitely does not fit all. We don't just take on assignments, we partner with our clients and works together to develop the business solutions that will help them meet their needs.

- RESPECT

People are different in so many ways. We are respectful of and value the worth and contribution of all people.
